

# Volunteer Marshalls are urgently needed by Bury's Vaccination Centres

We want everyone to 'Get Boosted Now'  
Can you help us?

The Vaccination Centres across Bury need Volunteer Vaccination Marshalls to help with the 'Booster Jab Programme'. As a Volunteer Marshall you are the first point of contact at a Vaccination Centre and will help to ensure the smooth arrival of members of the public by welcoming and assisting in directing them in a friendly manner to receive their Covid Vaccination.

**Register here now**

**Your support for our Vaccination Centres  
across Bury is needed more than ever**
