#### **About this funding**

A key principle of the boroughs Let's Do It strategy is working together and building on the strengths of our local communities to improve the lives of residents. The strategy includes five key outcomes

- People in Bury have better lives
- Our children and young people have the best start in life
- Our adults reach their potential for skills and work
- We progress our fight against climate change
- Our people have the full opportunity to take part in life in Bury by being digitally included

We know that a range of small, voluntary and community-based groups, charities, and social enterprises support these outcomes daily and are rooted in their local area. These grants are designed to give some financial help to support and develop this work.

We anticipate that this fund will be oversubscribed, so we will prioritise projects exploring new approaches to support residents and meet the outcomes listed above. Or that are about expanding their support. Expanding may mean reaching more people, offering additional elements to your current offer, or trying to reach a new section of your community.

## Why Neighbourhoods?

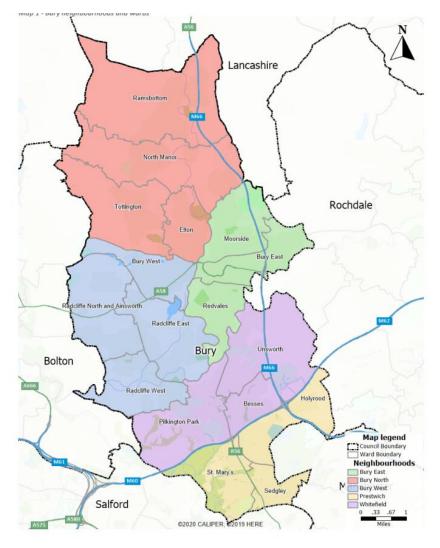

We are keen to use this funding to reach smaller groups working on a local level across the borough. Grants will be distributed amongst the five neighbourhoods of Bury (see picture). We know that many groups do fantastic work across the borough, but for this funding round, we are focusing on communities of place.

## How much can you apply for?

Individual organisations can apply for up to £1000.

## How many organisations will be successful?

We have a funding pot of approximately £50,000 with an additional £19,000 for digital inclusion projects, so we anticipate funding 50 -70 projects (split amongst the five neighbourhoods). As

this is a new funding round, we do not have a percentage of successful applications, but similar funding programmes have had a success rate between 30% and 50%.

## Is there anything I can't apply for?

There are a few things that can't be funded. These include –

- Funding for individuals. This would include individual grants/bursaries as well as personal equipment (excluding personal protective equipment needed for group activities)
- Activities that have already taken place
- Contributions to major appeals or general appeals
- Any activities promoting political or religious beliefs
- Any activities where there is a statutory duty to undertake them or where another source has funded them.
- Projects that take place as part of the school curriculum
- Large capital appeals, including building works and minibuses
- Day trips and excursions, unless you can provide evidence of a significant impact on the lives of individuals (broader health and wellbeing).
- Fines, financial penalties, debts or organisational liabilities.

## What policies / other documentation are required?

All organisations will be expected to have the following policies in place at the time of application:

- a) Public Liability Insurance
- b) Risk assessments
- ...and if applicable to project activities:
- c) Safeguarding Adults policy
- d) Safeguarding Children policy

We expect all organisations to have relevant policies in place at the time of application. Please note that <u>Public Liability Insurance</u> costs can form an element of your bid. If you need advice or support on developing policies, see the 'What support is available to applicants?' section below.

**Please note:** If your project involves working with children or vulnerable adults you **must** submit a copy of the Safeguarding Policy with your application.

## How to apply

Organisations that wish to apply will need to complete the application form and submit it by email to <a href="mailto:grants@buryvcfa.org.uk">grants@buryvcfa.org.uk</a>

#### When is the closing date for applications?

The fund will close to applications on the **Sunday 21<sup>st</sup> September 2025**.

## How will applications be assessed?

Upon receipt of applications, Bury VCFA will conduct several eligibility checks. All applications that are eligible will be independently and anonymously scored by an independent panel.

Each panel has a minimum of three members, comprising our partners, e.g., Bury Council (who cannot form more than 50% of the panel), community assessors who are representatives from organisations previously funded by Bury VCFA (who haven't applied this time), or individuals with lived experience. No Bury VCFA Staff are involved in the process—we chair, support and facilitate but do not have a vote.

The assessment panel will meet to agree on the awards and provide feedback to unsuccessful applicants.

#### When will we hear the outcome?

All applicants will be informed by email within 8 weeks of the closing date. Unsuccessful applicants will be provided with a summary of feedback from the assessment panel.

## If successful, when will we receive the grant?

On receipt of an offer letter from Bury VCFA, organisations will be given the money within 28 working days of the award letter.

For organisations that have not received a grant from Bury VCFA before (or changed bank account since their last award) we will also require proof of bank details, for example a scan or photo of a bank statement or paying-in slip. Payment will not be made until this is completed.

On receipt of these documents, Bury VCFA will then issue the grant by bank transfer. The full grant amount will be paid upfront.

#### How long will we have to spend the grant?

All organisations receiving a grant will have up to 12 months to complete their project and spend the funding.

### What are the reporting requirements?

All projects will be required to submit an end-of-project report within one month of your activity finishing that captures your self-defined outcomes and the number of local participants. Alongside this, we require you to provide at least one case study, including photos, quotes or videos.

You are not expected to provide receipts with your monitoring. However, we reserve the right to complete a financial audit of your grant, which includes checking evidence of spend, which could include receipts. We will be conducting interim monitoring visits on a number of projects.

While we hope the project is incredibly successful, we encourage groups to be innovative and know it involves taking risks. In the event of a project not delivering

what was hoped, we still want to capture learning and support from your organisation. Therefore, please contact us as soon as possible to discuss any issues with your project.

We know that groups will attract residents from outside of the neighbourhood, so judge it on where delivery is taking place / where the majority of your participants/service users are from. The following covers the main areas.

Areas	Wards
North Bury	Elton
	North Manor
	Ramsbottom
	Tottington
East Bury	Bury East

**Question 13)** – Please tell us if this project is new, existing, or expanding and growing. By 'new,' we mean a project that has never happened before. By 'existing', we mean a project that is currently happening or has recently finished that would be continued with this grant. By 'expanding and growing,' we mean an existing project that would be scaled up with this grant regarding the number of activities or residents involved. It may also mean a project reaching a new group of residents.

**Question 14)** – Please tick the priorities you plan to cover with your project. You can tick more than one, but please focus on the main one.

**Question 15)** – What do you want to do? Please provide practical details about the activities or events you plan to deliver. Please describe:

- What activities or events will you deliver (number and duration)
- Who will be responsible for planning and delivering the project
- Timescales and key milestones
- Any partners you are working with
- What this grant will pay for

**Question 16)** One of the key reasons this funding exists is to support groups and organisations in responding to what matters to people in your local community. You know there is a need for this project, but this section asks how do you know? What evidence have you collected from the community? You might have gathered feedback from your members or people who use your services, had group discussions with your local community, or noticed a gap because of increasing demand for what you offer / the requests you have been getting.

**Question 17)** – How will you reach these people and encourage them to take part? There are a range of reasons that stop different groups of people from connecting with their local community – how will you overcome them? Do you have links with other organisations to help you reach your target audience, or will you use social media, word of mouth or other ways to reach them? Or something else?

**Question 18)** – The most important part of the application! What will success look like for you and your group? What difference will this project make to people or the community you support? How will you measure/know? What can you share with us?

Measuring success can be done in lots of ways. The table below shows you some examples –

Outcome	Measure	Evidence
Increased digital literacy to support household income	Number of people attending your sessions	Registers, photos or recordings
	Learning Outcomes Increased Confidence	Tracking people completing specific tasks – e.g. using a supermarket loyalty app to reduce the cost of their food shopping / accessing online banking etc
		Participant survey (beginning and end of your project) Quotes / Case Studies
Improve health & wellbeing	Individuals report feeling happier / better health and/or wellbeing	Participant survey (beginning and end of your project) Quotes / Case Studies Interviews
After School Activity Clubs – enabling health activities for primary-	Number of people attending your sessions.	Registers
aged children and supporting working families	Young peoples engagement	Drawings of young people showing what they like best from the sessions
	Financial Benefit to families	Case studies / parental feedback

Ultimately, we need evidence of what you have done with the funding and the difference it has made for this grant. In the monitoring form, we would also like to know any key learnings from your group or organisation—what went well? What would you do differently in the future?

We may also select your project for a monitoring visit (in person or remotely) to assess its progress and determine whether you need any support.

As these grants come from public money, you are required to keep receipts for all project spending after your project is completed. We undertake a number of spot audits each year, and you may be asked to provide evidence of your spending. Your monitoring is important. It helps us demonstrate how these grants and investments make a real difference to groups and local residents. We also report back to funders and wider partners to secure investment for the future.

**Question 19)** – Please give an overview of what the money will be used on by describing each item and breaking down your calculation so we can see how you've arrived at the cost for each item. See some examples below.

## Example 1

**Acceptable:** Elton Community Centre @ £25/hour x 2hr x 6 weeks = £300

Not acceptable: Venue = £300

## Example 2

Acceptable: Volunteer Travel Expenses @ £4/person x 2 x 12 weeks = £96

Not acceptable: Buses = £100

## Example 3

Acceptable: Staff Session Lead – 2hrs/wk @ £20ph (inc on-costs) x 10 weeks

=£400

Not acceptable: Staff support = £400

Important: If successful, it will be your responsibility to ensure that all spending is evidenced and does not exceed the limits set out in this guidance.
