Bury Volunteer Roll of Appreciation

Why Volunteers are appreciated.

Our volunteers here at are absolutely invaluable. We could not do what we do without them, from someone to drive the minibus to those in the kitchen making cups of tea and coffee to our shelf re-stockers in the pantry, every single volunteer plays an important role. Each one gives their time, energy, and patience so freely, it is a beautiful thing to witness. Thank you to our wonderful volunteers for all you do!

Without David's tireless work in Chesham Woodlands, the area would not have this fantastic resource on their doorstep. He leads a small group of volunteers and the knowledge he has and shares with us is immense. Not only does he lead the group every Sunday he dedicates more of his own time to prepare everything, removing rubbish, providing woodland plants, sharpening the tools, on top of applying for grants and ensuring all the relevant Health and Safety documentation is completed. David is one in a million and deserves recognition for all he does.

Beverley befriends a member by going round to her house once or twice a month and entertains her by assisting her to do crosswords, and chats to her, keeping her company, so she does not feel socially isolated. She has been a constant and reliable resource to the lady she befriends. It helps by improving the lady's self-esteem and confidence and puts a 'smile on her face.' Due to her warm, kind nature the member finds her easily approachable. Beverley is an asset to the charity and her support is invaluable.

Jeanette is instrumental in our uniform campaign. Jeanette was the lady behind the scenes, sorting the uniform room, putting everything on shelves, restocking and sorting all referrals and donations. We would have been lost without her. Thank you, Jeanette. The impact you had for us and also the 750 plus children we provided uniform for last year was huge. We would not have been able to reach so many people without you.

Lena came to us as a service user and continued her journey volunteering with The Attic Project. Lena dedicates her Tuesday mornings to help us prepare valuable food parcels for people who need them within our community. Lena arranges the food pantry every week and cleans around to ensure the building is clear before our group sessions and makes a big difference. Lena is now in Part time employment and is studying nursing but continues to volunteer as she loves to give back to those in need. We value all Lena's hard work, and we believe she deserves this recognition.
